

Message from the General Chairs

ISPA 2024

Welcome to the 22nd IEEE International Symposium on Parallel and Distributed Processing with Applications (IEEE ISPA 2024) sponsored by IEEE Computer Society, held on October 30-November 02, 2024. On behalf of the Organizing Committee of ISPA 2024, we would like to express our sincere and warm welcome to all of participants!

For the ISPA 2024, we greatly appreciate the sponsorship from IEEE, IEEE Computer Society, IEEE Technical Committee on Scalable Computing, IEEE SC Technical Committee on Hyper-Intelligence, IEEE Technical Committee on Smart World. The organizers of ISPA 2024 are Zhengzhou University, St. Francis Xavier University, and Hubei Key Laboratory of Internet of Intelligence.

For the successful initialization and organization of this international conference with this size and diversity, we counted on the great support of many people and organizations. First of all, we would like to express our special thanks to the Program Chairs Thomas Rauber (University of Bayreuth, Germany), Ligang He (University of Warwick, UK), and Xiaokang Wang (Hainan University, China) for their excellent work and great efforts in organizing an outstanding program committee, conducting a rigorous review process and selecting high-quality papers from a large number of submissions, and for preparing an excellent conference program. We would like to thank all reviewers for their hard review tasks, for providing constructive feedback to authors and enabling an excellent selection of the papers. Most importantly, our great appreciation to all authors, for submitting their high-quality papers to ISPA 2024. Last but not least, we would like to extend our thanks to the ISPA 2024 web and conference organization team for the excellent arrangement of the conference.

We thank all of you for participating in ISPA 2024, and hope you find the conference stimulating and interesting for your research and professional activities. We hope ISPA can become one of the best conferences in its field.

Gudula Rünger, *Chemnitz University of Technology, Germany*
